DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING

CERTIFICATE

This is to certify that the Mini project report entitled “**CRICKET@11 MANAGEMENT SYSTEM**” has been successfully completed by **SHUBHAM SINGH** bearing USN **1RN16CS128**, presently **V semester** student of **RNS Institute of Technology** in partial fulfillment of the requirements as a part of the DBMS Laboratory for the award of the degree **Bachelor of Engineering in Computer Science and Engineering** under **Visvesvaraya Technological University, Belagavi** during academic year 2018 – 2019. It is certified that all corrections/suggestions indicated for Internal Assessment have been incorporated in the report deposited in the departmental library. The mini project report has been approved as it satisfies the academic requirements as a part of DBMS Laboratory for the said degree.

Mrs. S Mamatha Jajur
Assistance Professor
Dept. Of CSE

Dr. G T Raju
Vice Principal and
Head of Dept. Of

ABSTRACT

The objective and scope of my Project CRICKET@11 DATABASE MANAGEMENT is to record the details and various activities of user. It will record/store the user's own cricket team into the database. Project provide the opportunity to the user to create its own cricket team , adding , updating and deleting players from its team as well as learn about some facts and records of there favourite player. project provide information about cricket , basic players records which can be used to check players performance and popularity in the game.

Cricket is a bat-and-ball game played between two teams of 11 players on a field at the centre of which is a rectangular 22-yard long pitch. Each team takes it in turn to bat, attempting to score runs, while the other team fields. Each turn is known as an innings. The bowler delivers the ball to the batsman who attempts to hit the ball with his bat far enough for him to run to the other end of the pitch and score a run. Each batsman continues batting until he is out. The batting team continues batting until ten batsmen are out, at which point the teams switch roles and the fielding team comes in to bat. In professional cricket the length of a game ranges from 20 overs of six bowling deliveries per side to Test cricket played over five days. The Laws of Cricket are maintained by the International Cricket Council (ICC) and the Marylebone Cricket Club (MCC) with additional Standard Playing Conditions for Test matches and One Day Internationals.

ACKNOWLEDGMENT

The fulfillment and rapture that go with the fruitful finishing of any assignment would be inadequate without the specifying the people who made it conceivable, whose steady direction and support delegated the endeavors with success.

I would like to profoundly thank **Management of RNS Institute of Technology** for providing such a healthy environment to carry out this Project work.

I would like to thank our beloved Director **Dr. H N Shivashankar** for his confidence feeling words and support for providing facilities throughout the course.

I would like to express my thanks to our Principal **Dr. M K Venkatesha** for his support and inspired me towards the attainment of knowledge.

I wish to place on record my words of gratitude to **Dr. G T Raju**, Vice Principal & Head of the Department, Computer Science and Engineering, for being the enzyme and master mind behind my Project work.

I would like to express my profound and cordial gratitude to my Faculty Incharge **Mrs S Mamatha Jajur**, Assistant Professor, Department of Computer Science and Engineering for her valuable guidance in preparing Project report.

I would like to thank all other teaching and non-teaching staff of Computer Science & Engineering who have directly or indirectly helped me to carry out the project work.

And lastly, I would hereby acknowledge and thank my parents who have been a source of inspiration and also instrumental in carrying out this Project work.

SHUBHAM SINGH

USN: 1RN16CS128
